## Our Training Academy

The House 12 apparel was also established to train those with talent and passion for fashion.

If you really have what it takes and have the burning passion to excel in the fashion designing world , we are encouraging you to register and be part of our next training session programme where you will be taught all there is in modern fashion designing.

Fashion design is about creativity, breaking the rules and setting trends and we have made it our responsibility to help you reach the peak of your career.

## Admission Requirements

The students must send the complete application form and wait for the confirmation of eligibility. If students are eligible, open spots will be reserved and then confirmed after the payment of the school fee. Spaces are limited on first come first serve basis, therefore we suggest students to complete application process as soon as possible. Also the student must qualify to speak English, which is the taught language, in order to enroll in the courses.
